

# The Ting Tings, That's Not My Name

Four letter word just to get me along  
It's a difficulty and I'm biting on my tongue  
And I keep stalling, keeping it together  
People around gotta find something to say now  
Holding back everyday the same  
Don't wanna be a loner  
Listen to me, oh no  
I never say anything at all  
But with nothing to consider they forget my name (-ame, -ame, -ame)

They call me hell  
They call me Stacey  
They call me her  
They call me Jane  
That's not my name  
That's not my name  
That's not my name  
That's not my name

They call me quiet girl  
But I'm a riot  
Mary, Jo, Lisa  
Always the same  
That's not my name  
That's not my name  
That's not my name  
That's not my name

I miss the catch if they throw me the ball  
I'm the last drip standing up against the wall  
Keep falling, these heels that keep me boring  
Getting clamped up and sitting on the fence now  
So alone all the time and I lock myself away  
Listen to me, oh no  
Though I'm dressed up out 'n all  
With everything considered they forget my name (-ame, -ame, -ame)

(Jules:

This song was in my head, now it's in my mind, call it reach it get some words and get some timing  
And though I realise, I cannot emphasize, I'll stick around but just don't promise, nothing binding.  
And can't you see, you're so desperately, a standing joker like a vocal one-liner.  
Instead of sing-a-long, this song is monotone, I've gotta get some soul I gotta get some feeling.)
