

# The Toy Dolls, David's Xr2

&quot;David Man, yer hav'n't finished yer tea&quot;  
&quot;It doesn't matter, I can't wait to drive my XR2&quot;  
&quot;Oh David, don't drive fast David&quot;  
&quot;See ya!&quot;  
&quot;David, David...DAVID!&quot;  
I don't wanna be alive, if I ain't on the road  
Wheels off the ground the speed o'sound, stuff the Highway Code  
Electric windows down, sound system, size ten  
What a prat they say &quot;That boys racers back again&quot;  
CHORUS:  
The engine soared as he got fasta  
He bought a Ford Fiesta  
He can't wait to accelerate  
In his jet car, X R...2  
I never leave my XR2, of that there ain't no fear  
The only time, is when I'm watching Top Gear  
40 fog lamps on the front, twin spoilers, I agree  
The meanest man on the Autobahn, nobody gets past me  
CHORUS  
The engine soared as he got fasta  
He bought a Ford Fiesta  
Upside down, the wheels spun round  
On his jet car, XR...2  
&quot;He's driving me MAAAAAAD&quot;
