

The Toy Dolls, I Can See You

I still can see you face
Your smile everyday
I wish I was back there
To live it out again

I can see you
Yeah I can see you

(Chorus:)
I can see you SEE YOU &i;(x4)
Yeah I can see you SEE YOU &i;(x4)

I still remember when
We used to go away
I wish I was back there
To live it out again

But I can see you
Yeah I can see you

(Chorus)&i;...
(Guitar bit)&i;...
(Chorus)&i;...

Meet you.....
