

The Toy Dolls, Lazy Sunday Afternoon

Wouldn't it be nice to get on with my neighbours
But they make it very clear they've got no room for ravers

(Chorus:)
Lazy sunday afternoon
I got no time to worry
I close my eyes & drift away

Here we all are sittin' in a rainbow
Cor blimy 'Allo Mrs. Jones, how's your Berts lumbago'

Diddly may...

I'll sing you a song with no words & no tune
Sing in your party while you suss out the moon

(Chorus)</i>...Quiet passage

Roody Doody do, Roody doody di day
Roody Doody dum a Reedy deedy do dee

There's no one to hear me, there's nothing to say
& no one can stop me from feeling this way

(Chorus)</i>...Lazy sunday afternoon...
