

# The Toy Dolls, Olga I Cannot

- "I think I'll call Kendra. Hello? It's Olga. C-can I speak to Kendra, please?"
- "Just hold on a minute pet. Kendra? Olga's on the phone, do you want to speak to him?"
- "Ahh! I cannot!"

I first saw Kendra at a pub called the Rumside Hall - in Durham  
So sweet and tender but she did not even see me at all - no  
She looked so nice, she smelled so fine  
Oh how I wished that Kendra was mine  
5 foot 1 and eyes that were blue  
A smile that made me melt  
oh, what could I do?

I had to get Kendra's telephone number really quick - yes  
If I came straight to the point it would do the trick - yes  
I asked her if she'd like to go out with me  
She said that she was flattered, but I just couldn't see  
Why she said..

Oh! Olga I cannot  
Oh! Olga I cannot

My boyfriend's sitting on the Sunday  
He does not want you to see me  
So Olga... I cannot

I was really de-pressed, what could I do? I was blue  
I'll ring her up again in a day or two, on Monday  
Her boyfriend wasn't there, so I felt lucky  
How about now baby come out with me?  
And she said... she said...

Oh! Olga I cannot  
Oh! Olga I cannot

I would if I could, but I don't think I should  
I can't, well I can but I shan't - it's not good man  
Olga... I cannot... I cannot! I cannot!! I cannot!!!!

I'm sorry that I ever rang  
She said "Don't be dafted. Oh! Olga man  
I want to see you, don't get me wrong  
I'll contact you soon, it won't be long  
But at the moment... I cannot."

I called Kendra another fifty times on the phone - Yes  
She agreed to meet me, but I should have known - Yes  
I wound the window down in the Rolls Royce  
I said "Jump in the back!" and then I heard her voice  
Start to say...Start to say...

Oh! Olga I cannot  
Oh! Olga I cannot

I'm going to Laurete for my holiday in Spain  
And when I get back, I still cannot again!  
so Olga.....

Oh! Olga I cannot  
Oh! Olga I cannot

I talked it over with my mum and me dad  
But even my sister and the dog think I'm mad!  
So Olga.... yes Olga..... I cannot.
