

# The Toy Dolls, Poltergeist In The Pantry

I felt like a snack in the middle of the night  
I crept down stairs for a nibble and a bite, oooo oooo  
A crash beyond the kitchen door  
Told me that it was back for more, oooo oooo

You might o' guessed, I am possessed  
I really must insist  
May I suggest invest in an exorcist.

(Chorus:)  
Help me, oo ee  
oo ee, believe me  
geist ooo ooo poltergeist ooo ooo  
where's he?...  
in the pantry.

I went goose pimplyfied  
No where to run, no where to hide, for me  
I was sceptical before  
But a pantry poltergeist I saw here to stay.

(Chorus:)  
(Guitar time)&lt;/i> You might o' guessed...  
(Chorus)&lt;/i> & amp; In the pantry...Poltergeist...  
END
