

# The Tragically Hip, Ahead By A Century

illuminate the obvious it's standing right here in front of us what our apartment does when we're not  
us  
simulate the obvious and it's standing, standing right here in front of us just what our apartment does  
does not concern us  
she's the horrible esthete and she hates her ugly feet at a place where her friends all meet she takes  
everyone to see  
eliminate the obvious and it's right here, right here in front of us just what our apartment does when  
concern us  
she's the horrible esthete at the place where her friends all meet while her clock reinforces its' con  
out other things the walls stand a little more at ease and her books they chat so expertly and her c  
sleep and things get all together neat and at the clicking of the key returns the horrible esth
