

The Tragically Hip, Butts Wigglin'

the sweet sound of patent approval coming down in a not quite fog
the sweet sound of patent approval coming down in powdery sparks

the sweet sound of patent approval coming down with holiday concern
the sweet sound of patent approval coming down in a world of hurt

in my opinion the drug is ready
in my opinion the drug is ready

the warm hand of abject approval coming down with its ropey veins
the warm hand of abject approval coming down to the fingerbowl

in my opinion the drug is ready
in my opinion the drug is ready
in my opinion the drug is ready

the cold eye of constant approval coming down to freeze the blood
the cold eye of constant approval coming down to look real close

in my opinion the drug is ready
in my opinion the drug is ready
in my opinion the drug is ready
in my opinion the drug is ready
in my opinion the drug is ready
