

# The Tragically Hip, Daredevil

i've often dreamt of a conversation that just keeps coming up again and again. we're sitting in the bar  
table out past the sentences end from until it's no longer fun to that's no longer relevant from until v  
bona-fide embodiment of an endless emergency without end we're an endless emergency without  
we often stop in these conversations, things we say here stay here forever amen when everything  
funny or lousy, that's where it usually ends from until we're no longer fun to that's no longer relevant  
longer one to that's no longer permanent from the last survivors of those terms to the bona-fide em  
emergency without end we're an endless emergency without end we're an endless emergency with  
but your finger starts to wiggle and landscapes emerge
