

The Tragically Hip, Emergency

you triumphed over will you had immunity to kill you had your dreams fulfilled and i love you still but
control there's a fire in the hole ah the nights are getting cold all your secrets will be told turn your lanterns
as long as you can dig up proof as cold as water through the roof brutal as depicted truth that kid's
lanterns low but there's a power beyond control there's a fire in the hole yeah the nights are getting
told turn your lanterns low alright
i'd like to stand up soon and show i'd like to let some people know i'd turn my bucket over i'd turn my
power beyond control there's a fire in the hole yeah the nights are getting cold all my secrets would
low alright alright
