

# The Tragically Hip, Nautical Disaster

i could make you scared if you want me to i'm not prepared, but if i have to he said, i can make you  
if you're prepared, here's what i can put you through you're in russia and more than a million works  
woods so when nazis find the whole place dark they'd think god's left the museum for good  
i make you scared, if that's what i do if you're prepared, if i have to if i make you scared and you pa  
now here's what i can do for you  
now there's a focus group that can prove this is all nothing but cold calculation  
tests have shown that suspicious or hostile their lives need not be shortened truth be told they can  
to death by their importance  
if you make me scared, if that's what you do if i'm unclear can i get out of this thing with me and yo  
confused, i gotta say this sounds a little beyond anything i'm used to  
now there's a precious few that can prove that at the root this is all nothing but a cold calculation  
clearly entranced, you're leaning back now defanged destroyer limps into the bay down at the beach  
crowd as kids wade through blood out to it to play  
ok you made me scared, you did what you set out to do i'm not prepared, really had me going there  
said, you made me scare too, i wasn't sure i was getting through i gotta go, it's been a pleasure do
