

The Troggs, Wild Thing

Wild thing
You make my heart sing
You make everything, groovy
I said wild thing

Wild thing, I think I love you
But I wanna know for sure
So come on, and hold me tight
I love you

Wild thing
You make my heart sing
You make everything, groovy
I said wild thing

Wild thing, I think you move me
But I wanna know for sure
So come on, and hold me tight
You move me

Wild thing
You make my heart sing
You make everything, groovy
I said wild thing

Wild thing

Come on, come on, wild thing
Shake it, shake it, wild thing
