

# The Tubes, Fastest Gun Alive

(Waybill/Steen/Cambra/Anderson)

Raja Music/BMI/

Gazworks/ASCAP

Do you know that I was once famous  
with a cool hand and a deadly aim  
As the years passed with the reputation  
they still ask can I still play the game

A tall order

I don't know if I'm that spry

Fastest gun alive

Is the borderline that wide

Fastest gun alive

I'm a wanted man

Guess I told you that I hung my hat up

I was all through with the dusty plain

Now the old's new and the question's--how much  
will you still do for the price of fame

A tall order

I don't know if I'm that spry

Fastest gun alive

Is the borderline that wide

Fastest gun alive

I'm a wanted man

How could it I be

the face on this reward

And they tell me I'm a destperate man

but I'm only tired of being bored
