

The Turtles, Do You Believe In Magic

Do you believe in magic in a young girl's heart
How the music can free her whenever it starts
And it's magic if the music is groovy
It makes you feel happy like an old time movie
I'll tell you about the magic and it'll free your soul
But it's like trying to tell a stranger about the Rock and Roll

Do you believe in magic
Dont bother to choose it
If it's just band music or Rythmn and Blues
Just go and listen
And it'll start with a smile
It wont wipe off your face no matter how hard you try

Your feet start tapping
And you cant seem to find
How you got there
So just blow your mind

If you believe in magic
Come along with me
We'll dance until morning
Yes just you and me
And maybe if the music is right
I'll meet you tomorrow so late at night

And then we're gonna dance
And Baby then you'll see
How the magic's in the music and the music's in me

Yeah Do you belive in magic yeah
Believe in the magic of the young girl's soul
Believe in the magic a Rock and Roll
Believe in the magic it can set you free
Oh.. talkin about the magic

Do you believe in magic (Do you believe like I believe)
