

The Turtles, Lady-O

Judee Sill

Verse 1:

While you sit and seek a crescent moon is laying
At your feet
With hope that's made of sand
It don't think you can
But you have held it all in your hands

Verse 2 (strings enter):

I've been trying hard to keep from needing you
But from the start
My heart just rolled and flowed
I've seen where it goes
Still somehow my love for you grows, Lady-o

Bridge (chords are composite of guitar and string parts):

So on my heels I'll grow wings
Gonna ride silver strings
But I'll see you in my holiest dreams, Lady-o

(instrumental break w/piano and strings over verse 2 chords)

(repeat chorus)

(repeat verse 2)

(repeat chorus w/wordless vocals)
