

# The Twilight Singers, Real Love

We are lovers through and through  
And we made it through the storm  
I really want you to realize  
I really want to turn you on  
I've been searching for someone  
To satisfy my every need  
Won't you be my inspiration?  
Be the real love that I need yeah  
Real love  
I'm searching for a real love  
Someone to set my heart free  
Real love  
I'm searching for a real love  
When I met you I just knew  
That you'd take my heart and run  
aEtil you told me how you felt for me  
Said I'm not the one  
So I slowly came to see  
All the things you were made of  
Now I hope my dreams and inspirations lead me to find some real love  
Real love  
I'm searching for a real love  
Someone to set my heart free  
Real love  
I'm searching for a real love  
A love so true  
Oh baby  
I thought your love was true  
Thought you were the answer to the questions in my mind  
Now it seems that I was wrong  
If I stay strong maybe ill find my  
Real love  
I'm searching for my real love  
Someone to set my heart free  
Real love  
I'm searching for my real love  
So I try my best to pray to god to send me someone real  
To caress me and to guide me  
To know that I can feel  
Now I know I can be faithful  
I can be your arm in arm  
I'll give you good love in the summer time, winter, spring and fall  
Real love  
I'm searching for my real love  
Someone to set my heart free  
Real love  
I'm searching for my real love  
Real love  
I'm searching for my real love  
Someone to set my heart free  
Real love  
I'm searching for my real love  
Its real love  
Its real love
