

# The Twins, Ballet Dancer

When you're dancing you're fantastic  
All you're dressed in is elastic  
You make art with twirls and spins  
Can't wait till the show begins  
Anyone can see  
You were made to dance for me  
Won't take no - no for an answer  
You're my you're my ballet dancer  
Won't take no - no for an answer  
I've been here for every show  
There's not a step that I don't know  
I know your body small and neat  
dancing on your dancing feet  
Anyone can see  
You were made to dance for me  
Won't take no - no for an answer  
You're my - you're my ballet dancer  
Won't take no - no for an answer
