

The Twins, Satellite City

Boy and girl - in the year 4001
In the Satellite City - the future's just begun
Man and woman - immortality of life
In the Satellite City - they will stay alive.

In the Satellite... In the Satellite City (repeat).

Of animal creatures - there isn't a trace
In the Satellite City - there's just the human race.

In the Satellite... In the Satellite City (repeat).

Do you want to come with me
And join the Satellite dream.

Boy and girl - in the year 4001...

In the Satellite City - Life's a Satellite dream (repeat).
