

The Underdog Project, No more (Acapella Skid)

I don't wanna see you >> No more >> No more

No more

No more

No more

No more

Is it too hard for you to the ??? of the ??? you've done to me

Follin around with my best girl-friend is a what a play you need

I don't let to play with my own boy-friend - the game called hadden seek

Cold and lonely nights about my self - this is not for me

I don't wanna see you no more

Want you now walk out the door

And don't you come back no more

And leave me

I don't wanna see you no more

Want you now walk out the door

And don't you come back no more

And leave me

A lot of people try to tell me

How do life my life into dade a man

But I don't wanna have nobody

And that's what they just don't understand

I try to find the one but I wasted my time

And now they only friends

You had'a your chance - You made new friends

And this is how it ends

See you no more

Want you now walk out the door

And don't you come back no more

And leave me

I don't wanna see you no more

Want you now walk out the door

And don't you come back no more

And leave me

I just wanna have a lover who is good to me

I don't wanna surfer be stay away from me

I wanna have a lover who is good to me

I just don't wanna stay away from me

No more

No more

Walk out that door

Come back no more

And close the door

I don't wanna see you no more

Want you now walk out the door

And don't you come back no more

And leave me

I don't wanna see you no more

Want you now walk out the door

And don't you come back no more

And leave me

And leave me
