The Underdog Project, No more (Acapella Skid)

I don't wanna see you >> No more >> No more No more No more No more No more Is it too hard for you to the ??? of the ??? you've done to me Follin around with my best girl-friend is a what a play you need I don't let to play with my own boy-friend - the game called hadden seek Cold and lonely nights about my self - this is not for me I don't wonna see you no more Want you now walk out the door And don't you come back no more And leave me I don't wonna see you no more Want you now walk out the door And don't you come back no more And leave me A lot of people try to tell me How do life my life into dade a man But I don't wanna have nobody And that's what they just don't understand I try to find the one but I wasted my time And now they only friends You had'a your chance - You made new friends And this is how it ends See you no more Want you now walk out the door And don't you come back no more And leave me I don't wonna see you no more Want you now walk out the door And don't you come back no more And leave me I just wanna have a lover who is good to me I don't wanna surfer be stay away from me I wanna have a lover who is good to me I just don't wanna stay away from me No more No more Walk out that door Come back no more And close the door I don't wonna see you no more Want you now walk out the door And don't you come back no more And leave me I don't wonna see you no more Want you now walk out the door And don't you come back no more And leave me And leave me
