

# The Union Underground, Turn Me On Mr. Deadman

Penetrate, penetrate all the simple minds  
They adore; what a bore how they stand in line  
Dilate; dilate what's my drug of choice?  
It's okay when they pay they say I got the voice  
Look at this the motherfucker is a millionaire  
Realize it's a mask that you wear  
Violate, violate such a simple plan  
Turn me on, turn me on Mr. Deadman

Yeah I want it  
I need it  
To make a million  
Yeah I love it  
A fucking rock star  
Yeah I want it  
I need it  
To make a million  
Yeah I love it  
A fucking rock star
