

# The Used, A Box Full Of Sharp Objects

It's our time to shine through the down  
Glorified by what is ours  
We've fallen in love  
We've fallen in love  
It was the best idea I ever had

Today I fell and felt better  
Just knowing this matters  
I just feel stronger and sharper  
Found a box of sharp objects  
What a beautiful

Today I fell and felt better  
Just knowing this matters  
I just feel stronger and sharper  
Found a box of sharp objects  
What a beautiful thing

Today I fell and felt better  
Just knowing this matters  
I just feel stronger and sharper  
Found a box of sharp objects  
What a beautiful thing

Sick

Do you want a song of glory?  
Well, I'm fucking screaming at you

It's our time to shine through the down  
Glorified by what is ours  
We've fallen in love  
We've fallen in love  
It was the best idea I ever had

Today I fell and felt better  
Just knowing this matters  
I just feel stronger and sharper
