

The Velvet Underground, After Hours

One, two, three
If you close the door, the night could last forever
Leave the sunshine out and say hello to never
All the people are dancing and they're having such fun
I wish it could happen to me
But if you close the door, I'd never have to see the day again

If you close the door, the night could last forever
Leave the wine glass out and drink a toast to never
Oh, someday I know someone will look into my eyes
And say hello -you're my very especial one-
But if you close the door I'd never have to see the day again

Dark party bars
Shiny Cadillac cars
And the people on the subways and trains
Looking gray in the rain
As they stand disarrayed
Oh but people look well in the dark

And if you close the door the night could last forever
Leave the sunshine out and say hello to never
All the people are dancing and they're having such fun
I wish it could happen to me
'Cause if you close the door I'd never have to see the day again, once more,
I'd never have to see the day again
