

The Veronicas, How Long

Saturdays, will never be, the same
Its even hard mentioning your name
Lookin' back I don't know what went wrong
But suddenly it's like I don't belong

So how long must I wait?
And how long must I stay?
Please let me know how to live
Cuz I don't ever wanna feel this way
Again

Nuthin seems to matter anymore
Why cant it be just like it was before?
I hate you for the person I've become
Take me back to where it all begun

(CHORUS:)
So how long must I wait?
And how long must I stay?
Please let me know how to live
Cuz I don't ever wanna feel this way
Again

Let me know, how to live
Let me know

(CHORUS:)
So how long must I wait?
And how long must I stay?
Please let me know how to live
Cuz I don't ever wanna feel this way
Again
