

The Veronicas, Untouched

I go ooh ooh, you go ah ah
lalalalalalala

I can't lalalalalalala
I wanna wanna get get get what I want
Don't stop
Give me give me give me what you got got
Cause I can't wait wait wait any more more more
Don't even talk about the consequence
Cause right now you're the only thing that's making any sense to me
And I don't give a damn what they say, what they think think
Cause you're the only one who's on my mind
I'll never ever let you leave me
I'll try to stop time for ever, never wanna hear you say goodbye (bye bye bye)

I feel so untouched
And I want you so much
That I just can't resist you
It's not enough to say that I miss you
I feel so untouched right now
Need you so much somehow
I can't forget you
I've gone crazy from the moment I met you

Untouched
And I need you so much

See you, breathe you, I want to be you
Alalalala alalalala
You can take take take take take time time
To live live the way you gotta gotta live your life
Give me give me give me all of you you
Don't be scared
I'll see you through the loneliness of one more more more
Don't even think about what's right or wrong, wrong or right
'Cause in the end it's only you and me and no one else is gonna be around
To answer all the questions left behind
And you and I are meant to be so even if the world falls down today
You've still got me to hold you up up
And I will never let you down (down)

I feel so untouched
And I want you so much
That I just can't resist you
It's not enough to say that I miss you
I feel so untouched right now
Need you so much somehow
I can't forget you
I've gone crazy from the moment I met you

Untouched, untouched, untouched, untouched, untouched
Alalalala alalalala
Untouched
Alalalala alalalala

I feel so untouched
And I want you so much
That I just can't resist you
It's not enough to say that I miss you
I feel so untouched right now
Need you so much somehow
I can't forget you
I've gone crazy from the moment I met you [x2]

Untouched, untouched, untouched
