

# The Veronicas, What's Going On

It's three AM  
I start to cry  
I'm alone again.

I try so hard  
not to fall in love  
but here I am.

And you couldn't even pretend  
that you care if this was the end

Chorus:  
All the things you said to me  
won't even matter  
Do what you want  
'Cause I'm not gonna save you baby  
What's goin' on?  
We don't care  
We don't fight  
We don't even know  
what's wrong or right  
now baby  
What's goin' on?  
What's goin' on?

There's nothing else  
I can say  
What can I do?  
We might have worked out someday  
But it takes two

And you couldn't even pretend  
that you care if this was the end

All the things you said to me  
won't even matter  
Do what you want  
'Cause I'm not gonna save you baby  
What's goin' on?  
We don't care

We don't fight  
We don't even know  
what's wrong or right  
now baby  
What's goin' on?  
What's goin' on?  
What's goin' on?  
(All the things you said to me won't even matter)

And I couldn't even pretend  
that I care if this is the end

(I'm not gonna save you baby)  
All the things you said to me  
won't even matter  
Do what you want  
'Cause I'm not gonna save you baby  
What's goin' on?  
We don't care  
We don't fight  
We don't even know  
what's wrong or right  
now baby

What's goin' on?

All the things you said to me  
won't even matter  
Do what you want  
'Cause I'm not gonna save you baby  
What's goin' on?  
We don't care  
We don't fight  
We don't even know  
what's wrong or right  
now baby  
What's goin' on?  
What's goin' on?

But here I am...
