

# The Verve, Love Is Noise

Will those feet in modern times  
Walk on soles that are made in China?  
Feel the bright prosaic malls  
In the corridors that go on and on and on

Are we blind, can we see?  
We are one, incomplete  
Are we blind, in the shade  
Waiting for lightning, to be saved

'Cause love is noise and love is pain  
Love is these blues that I'm singing again  
Love is noise and love is pain  
Love is these blues that I'm singing again, again, again

Will those feet in modern times  
Understand this world's affliction  
Recognise the righteous anger  
Understand this world's addiction

I was blind, couldn't see  
What was here in me  
I was blind, insecure  
I felt like the road was way too long, yeah

'Cause love is noise and love is pain  
Love is these blues that I'm singing again  
Love is noise and love is pain  
Love is these blues that I'm singing again  
Love is noise, love is pain  
Love is these blues that I'm feeling again  
Love is noise, love is pain  
Love is these blues that I'm singing again, again, again, again, again, again

'Cause love is noise, love is pain  
Love is these blues that you're feeling again  
Love is noise, love is pain  
Love is these blues that I'm singing again  
Love is noise, love is pain  
Love is these blues that I'm singing again, again, again

Will those feet in modern times  
Walk on soles made in China?  
Will those feet in modern times  
See the bright prosaic malls?  
Will those feet in modern times  
Forgive me all my sins

Love is noise, love is pain  
Love is these blues that I'm feeling again  
Love is noise, love is pain  
Love is these blues that I'm singing again, again, again.
