

The Verve, Mover

Well I read about the soldier
Found dead in his hole
And I read about the future
If I bought and sold

I'm a mover
I can't sleep at night
I'm a mover
I can't sleep at night

And yeah, I know we're strangers
So come on, fill up my holes

I can't sleep at night
Yeah I read about the soldier
Found dead in his hole
And I read about my future
If I bought and sold

I'm a mover
I can't sleep at night
I'm a mover
I can't sleep at night

Oh yeah, I know we're strangers
So come on, fill up my holes

I'm a mover, I'm a mover
I'm a mover, I'm a mover
I'm a mover, I'm a mover
I'm a mover, I'm a mover

I'm a mover
I can't sleep at night
I'm a mover
I can't sleep at night

Oh yeah, I know we're strangers
So come on, fill up my holes

I'm a mover
I can't sleep at night
I'm a mover
I can't sleep at night

I'm a mover
I can't sleep at night
I'm a mover
I can't sleep at night

I'm a mover
