

# The Verve Pipe, Ominous Man

I should be half a mile from here

I will go anywhere she goes  
Shoulder the bags of a previous lover  
I will go anywhere she goes  
Sleep on the pillow that reeks of another

A will of mine to be impressive  
I'm an amorous man

I will go anywhere she goes  
Travel whenever, whatever the distance

The court deemed me to be offensive  
I'm an ominous man

Once love is unanimous  
No order demands

I should be half a mile from here

The court deemed me to be obsessive  
I'm the ominous man  
Jury reject the alibi's seeminly watertight  
For the ominous man

I am the ominous man
