

The W's, Flower Tattoo

Do you want to go for a walk?
You can hold my hand we can laugh and talk
You can lead the way, which way you want to go
Tell me all the things I really, really want to know

Hair is gold and her eyes are blue
I'm in love with a girl with a flower tattoo
And if I wrote the perfect song
you know I'd name it after you

T-shirt, sneakers, some faded blue jeans
pocket in the back ripped from the seams
Doesn't really care what she hears or sees
what they think about her what they think about me

Do you want to go for a walk?
You can hold my hand we can laugh and talk
You can lead the way, which way you want to go
Tell me all the things I really, really want to know

Hair is gold and her eyes are blue
I'm in love with a girl with a flower tattoo
And if I wrote the perfect song
you know I'd name it after you

Do you want to go for a walk?
You can hold my hand we can laugh and talk
You can lead the way, which way you want to go
Tell me all the things I really, really want to know
