

# The Waiting, How Do You Do That?

Maybe I could understand  
How you called the darkness light  
Maybe I could understand  
How you made the waters flee  
Maybe I could understand  
How you gave all creation life  
I'm an educated man  
It's not too hard for me to see  
But there's something about you  
That confuses me yet  
First you forgive  
Then you forget  
How do Lord?  
Oh do, Lord, tell me  
How do you do that?  
How do you do that?  
It's not too hard for me to see  
How you stilled the raging water  
Not too hard for me to see  
How you walked on it like the land  
It's not too hard for me to see  
How you woke the sleeping daughter  
I'm holding my degree  
Think maybe I could understand  
And I've known your forgiveness  
For each and all of my days  
But the way you've forgotten  
Leaves me truly amazed  
How do Lord?  
Oh do, Lord, tell me  
How do you do that?  
How do you do that?  
You know the hairs on my head  
Yeah, you've named every star  
But I'm bowing on my knee  
At how forgetful you are  
You forgive, you forget  
You forgive then you forget...
