

# The Wallflowers, Empire Of My Mind

Well, there is trouble in my mind  
There is dark  
Theres dark, and there is light.  
I lay our hands over my eyes  
As I look deep  
Through valleys deep and wide  
Across the border line  
For the Empire in My Mind

You are the reason I dont sleep  
You are the light  
That's breaking through the leaves  
You know how hard I try  
To believe  
I have something good inside  
Over barricades I climb  
For the Empire in My Mind.

I have no love somewhere in time  
Ive been lifted up  
Ive looked honor in the eyes  
I have no reason; I have no rhyme  
I cannot deny  
Theres a darkness thats inside  
I am guilty by design  
And now I realize  
The temptations made me blind  
To the Empire in My Mind

There is no order  
There is chaos  
And there is crime  
There is no one home tonight  
In the Empire in My Mind

There is no distance that I dont see  
I do have a will  
No limit to my reach  
I wish I would; I wish I might  
See a line tonight  
Separating wrong from right  
Some are only born to try  
And maybe thats the reason why  
I am afraid someday Ill find  
There is no Empire in My Mind

There is trouble in my life  
There is trouble in my life
