

# The Wallflowers, I Started A Joke

I started a joke, which started the whole world crying  
But I didn't see that the joke was on me, oh no  
I started to cry, which started the whole world laughing  
Oh, if I'd only seen that the joke was on me  
I looked at the skies, running my hands over my eyes  
And I, I fell out of bed, hurting my head from things that I've said  
'Till I finally died, which started the whole world living  
Oh, if I'd only seen that the joke was on me  
And I, I looked at the skies, running my hands over my eyes  
And I, I fell out of bed, hurting my head from things that I've said  
'Till I finally died, which started the whole world living  
Oh, if I'd only seen that the joke was on me  
That the joke was on me  
That the joke was on me
