

The Wallflowers, The Empire In My Mind

Well, there is trouble in my mind
There is dark
Theres dark, and there is light.
I lay our hands over my eyes
As I look deep
Through valleys deep and wide
Across the border line
For the Empire in My Mind

You are the reason I dont sleep
You are the light
That's breaking through the leaves
You know how hard I try
To believe
I have something good inside
Over barricades I climb
For the Empire in My Mind.

I have no love somewhere in time
Ive been lifted up
Ive looked honor in the eyes
I have no reason; I have no rhyme
I cannot deny
Theres a darkness thats inside
I am guilty by design
And now I realize
The temptations made me blind
To the Empire in My Mind

There is no order
There is chaos
And there is crime
There is no one home tonight
In the Empire in My Mind

There is no distance that I dont see
I do have a will
No limit to my reach
I wish I would; I wish I might
See a line tonight
Separating wrong from right
Some are only born to try
And maybe thats the reason why
I am afraid someday Ill find
There is no Empire in My Mind

There is trouble in my life
There is trouble in my life
Fade...
