

# The Wallflowers, Tonight's The Night

(by Rod Stewart)

Stay away from my window  
Stay away from my back door, too  
Disconnect the telephone line  
Relax baby and draw that blind

Kick off your shoes and sit right down  
Loosen off that pretty French gown  
Let me pour you a good long drink  
Ooh baby don't you hesitate, cause...

Tonight's the night  
It's gonna be alright  
Cause I love you girl  
Ain't nobody gonna stop us now

C'mon angel my hearts on fire  
Don't deny your man's desire  
You'd be a fool to stop this tide  
Spread your wings and let me come inside

Tonight's the night  
It's gonna be alright  
Cause I love you girl  
Ain't nobody gonna stop us now

Don't say a word my virgin child  
Just let your inhibitions run wild  
The secret is about to unfold  
Upstairs before the night's too old

Tonight's the night  
It's gonna be alright  
Cause I love you girl  
Ain't nobody gonna stop us now
