

The Wallflowers, (What's So Funny About) Peace

As i walk through this wicked world
searching for light in the darkness of sanity
I ask myself if is all hope lost
Is there only pain and hatred and misery?

And then is time I feel like this feel inside
There's one thing I only know
What's so funny about peace, love and understanding
What's so funny about peace, love and understanding

As I walk on through trouble times
My spirit gets so downhearted sometimes
Oh, where are the strong, and who are the trusted?
And where is that harmony, sweet harmony?

And this time I feel it's slipping away
Just makes me wanna cry
What's so funny about peace, love and understanding
What's so funny about peace, love and understanding

So where are the strong, and who are are the trusted?
And where is that harmony, sweet harmony?

And this time I feel it's slipping away
Just makes me wanna cry
What's so funny about peace, love and understanding
What's so funny about peace, love and understanding
What's so funny about peace, love and understanding
