

The Waterboys, Beautiful Now

I saw a picture of you today
Taken years before I found you
You wore a tangerine peruque
The bunch of angels play around you
...
...

You're beautiful than sweet angel
You're more beautiful now

You kiss was like a morning juice
Your lips was were soft and wet
A ... whizz was blown and ..
The desert where we've met

Dangerous close around us
We made gruesome how

You're beautiful than sweet angel
You're more beautiful now

Look down the ... several years
And darling, there you are
And dancer's crying .. to tears
.. a star

A slayer of mediocrity
A very secret ...

You're beautiful than sweet angel
You're more beautiful now
