

# The Waterboys, Lucky Day / Bad Advice

You can't spend all your life  
sittin' on a cloud playing a twelve-string  
You can't spend all your life  
sittin' on a cloud playing a twelve-string

But you'll make this day again, this lucky, lucky day again  
but it's not just a day again until you touched it

Get yourself a pedal-steel player  
there's money in the cabaret business

Don't put that song in your album  
you don't need no sax in the band

but it's not just a day again until you touched it

Wake up you gotta make a change  
you gotta dress like one of the Levellers
