

# The Waterboys, She Is So Beautiful

She is so beautiful  
I've got no words to describe  
The way she makes me feel inside  
I'm flying solo  
As free as light as a bird  
yet I could lay my wings down in a moment  
To guard and comfort her

She is so beautiful  
light-filled, loving and wise  
Laughter dancing in her eyes  
all my road is before me  
And I never did plan on a wife  
yet she's the most beautiful soul  
I ever have met in this life

For she is like a song  
she is like a ray of light  
She is like children praying  
like harps and bells and cymbals playing  
And she is like a wind  
moving, soothing, bringing joy  
And here am I, destroyed  
she is so beautiful  
I don't know what I'm going to do when I leave  
except grieve
