

# The Weeknd, I Was Never There

what makes a grown man wanna cry?  
what makes him wanna take his life?  
his happiness is never real  
and mindless sex is how he feels

when it's time /3x  
it won't matter /3x  
when it's time /3x  
it won't matter /3x  
it was like he was never there /2x  
it was like he was gone in thin air  
when it's time /3x  
it won't matter /3x

when it's time /3x  
it won't matter /3x  
when it's time /3x  
it won't matter /3x  
when it's time /3x  
it won't matter /3x  
when it's time /3x  
it won't matter /3x  
when it's time /3x  
it won't matter /3x

Ooh, now I know what love is  
and I know It ain't you for sure  
you'd rather something toxic  
so I poison myself again, again  
till I feel nothing  
in my soul  
I'm on the edge of something breaking  
I feel my mind is slowly fading  
if I keep it going ,I won't make it /2x

and it's all because of you

It's all because of you  
It's all because of you  
It's all because of you  
Don't you baby?  
I won't matter, baby  
all because of you  
Don't you know?  
Don't you know
