

# The White Stripes, Catch Hell Blues

If you go looking for hot water,  
Don't act shocked when you get burned a little bit.  
If you really want some hot water,  
I can help you find it.

Oh... oh...  
Ah, yeah...

Well, if they catch me around you playing "Rock the Boat", I'm gonna catch hell.  
And if you're throwing your voice in bed singing a note, I'm gonna catch hell.  
I know it.

Guess what?  
Try and catch me.

Tricky, tricky.  
Yeah...  
Oh... oh...

If you're getting tricky lying to yourself, you're gonna catch hell.  
And if you're testing God and lying to his face, you're gonna catch hell.  
C'mon.

Hey, that's it.  
They're gonna catch you.  
Yeah, they're gonna catch you.

Easy.
