

The White Stripes, Expecting

Your mouth said this never
but your fingers have shown me
your head is so clever
you claim that you own me
forever
forever
forever
forever

You have the right to conduct me
in whatever fashion
your attempt to construct me
in the interest of passion
you sent me
to toledo
toledo
toledo

I came back with handfulls
I did what you asked me
but after the thank you's
that you quickly got passed me
I'm expected
you're expecting
I'm expected
expected
