

The White Stripes, Its True That We Love One Another

Well it's true that we love one another
I love Jack White like a little brother
Well Holly I love you too but theres just so much
That I don't know about you
Jack give me some money to pay my bills
All the dough I give you Holly
You been using on pain pills
Jack will you call me if you're able?
I got your phone number written
In the back of my bible
Jack I think you're pulling my leg
And I think maybe I'd better ask Meg
Meg do you think Jack really loves me?
You know, I dont care because Jack really bugs me
Why dont you ask him now?
Well I would but Meg, I really just dont know how
Just say Jack, do you adore me?
Well I would Holly but love really bores me
Well maybe we should just be friends
I'm just kidding Holly
You know that I'll love you 'til the end
Well it's true that we love one another
I love Jack White like a little brother
Well Holly I love you too but theres just so much
That I dont know about you
Holly give me some of your
English lovin
If I did that Jack I'd have one in
the oven
Why dont you go off and love yourself
If I did that Holly there
won't be anything left
For anybody else
Jack its too bad
About the way that you look
You know I gave that horse a carrot
So hed break your foot
Will the two of you cut it out
And tell 'em what Its really all about
Well it's true that we love one another
I love Jack White like a little brother
Well Holly I love you too
But there's just so much
That I don't know about you
