

# The Who (CSI NY), Teenage Wasteland

Out here in the fields  
I fought of my meals  
I get my back into my living  
I dont need to fight  
To prove Im right  
I dont need to be forgiven  
Dont cry  
Dont raise your eye  
Its only teenage wasteland  
Sally, take my hand  
Well travel south crossland  
Put out the fire  
Dont look past my shoulder  
The exodus is here  
The happy ones are near  
So lets get together  
Before we get much older  
Teenage wasteland  
Its only teenage wasteland  
Teenage wasteland, oh yeah  
Teenage wasteland  
Theyre all wasted
