

The Who, Eyesight To The Blind

[The Hawker:]

You talk about your woman
I wish you could see mine,
You talk about your woman
I wish you could see mine,
Every time she starts to lovin'
She brings eyesight to the blind.

You know her daddy gave her magic
I can tell by the way she walks.
You know her daddy gave her magic
I can tell by the way she walks.
Everytime we start shakin'
The dumb begin to talk.

She's got the power to heal you never fear
She's got the power to heal you never fear
Just a word from her lips
And the deaf begin to hear.
