

# The Who, (I'm A) Road Runner

I'm a roadrunner, honey  
I'm a roadrunner, honey  
And you can't keep up with me  
Ooh, I'm a roadrunner, honey  
And you can't keep up with me  
I'm a, you and me

I'm a roadrunner, honey  
And you can't keep up with me  
Oh yeah, I'm a roadrunner, honey  
And you can't keep up with me  
I'm gonna show you  
Baby, baby, you and me
