## The Who, Two Thousand Years

Two thousand years Two thousand years Two thousand years Two thousand years Have I waited

To ask if I have loved you To know if I have served you To find if I've obeyed you To know if I've betrayed you

Two thousand years Two thousand years Two thousand years Two thousand years Two thousnad years Have I waited

Then find I can't be perfect Not even a perfect snake To know that we are hated You suffer for my sake

Two thousand years Two thousand years Two thousand years Two thousand years Have I waited

And so I have a chance to love As you intended You really lived and died for me Is the waiting really ended

Two thousand years
Long, long years
Long, long, long, long years
I have waited
Two thousand long, long years
Two thousand long, long years
