

The Wiggles, Dorothy The Dinosaur

I was lookin out my window
Late the other night
She was sittin in the garden
and gave me such a fright
Eating all Mums roses
there in the moonlight
It was Dorothy the Dinosaur
I knew that if Mum saw her
Shed never let her stay
A dinosaur as big as that
Needs feeding night and day
Id have to find a place
Where I could hide her away
Dorothy the Dinosaur

CHORUS

Romp-bomp-a-chomp
Romp-bomp-a-chomp
Romp-bomp-a-chomp
Romp-bomp-a-chomp
Romp-bomp-a-chomp
Romp-bomp-a-chomp
Dorothy the Dinosaur (chomp)
I knew that she was so big
That shed soon be found
My mother called the dog catcher
He came around
When he laid his eyes on her
He fell to the ground
Now I take it thats Dorothy the Dinosaur

CHORUS

They called up the police
To take her right away
They called up the zoo
To find a place to stay
I said they couldnt take her
I said No way, thats Dorothy the Dinosaur
(Thats me)
