

# The Wilkinsons, A Little More Love

(Jim Collins/Liz Hengber)

They were just  
Two lonely people  
On this big blue ball  
Somehow fate  
Brought them together  
In the middle of it all  
And tonight  
They're out there dancing  
Spinning 'round  
And 'round

And there's a  
Little more love  
In the world tonight  
A little more light  
In the stars  
A little more grace  
In this vast universe  
Starting with this  
Boy and girl  
There's a little more love  
In the world tonight (tonight)

The sun will still  
come up tomorrow  
Nothing much will change  
But for these two  
Lonely people  
Life will never  
Be the same  
It may not make  
A lot of difference  
In the grand design

But there's a  
Little more love  
In the world tonight  
A little more light  
In the stars  
A little more grace  
In this vast universe  
Starting with this  
Boy and girl  
There's a little more love  
In the world tonight (tonight)
