

# The Wilkinsons, Little Girl

When I say I'm five-foot-two  
I'm cheatin'  
I wouldn't weigh a hundred pounds  
All soakin' wet  
There's not a lot of me I know  
I may be young but even so  
I'm tellin' you  
You ain't seen nothing yet  
I got big dreams  
I got grand schemes  
Don't tell me life is tough  
So what?  
Cool beans  
Ya'll can all stand back  
I'm breaking free  
'Cause this big ol world ain't ready  
For a little girl like me  
Tired of people saying what I can and can't do  
Pushing me around  
Running my show  
My time to shine has finally come  
I'm dancing to a different drum  
Won't let any old Joe tell me where to go  
I got big dreams  
I got grand schemes  
Don't tell me life is tough  
So what?  
Cool beans  
Ya'll can all stand back  
And let me breathe  
'Cause this big 'ol world ain't ready  
For a little girl like me  
Can't stop  
Me from being me  
I'm not  
Gonna be  
A victim of  
Meteocrity  
I got big dreams  
I got grand schemes  
Don't tell me life is tough  
So what?  
Cool beans  
Ya'll can all stand back  
And let me breathe  
'Cause this big 'ol world ain't ready  
For a little girl like me  
Ya'll can all stand back  
I'm breaking free  
'Cause this big 'ol world ain't ready  
I wanna keep on rockin' steady  
No this big 'ol world ain't ready  
For a little girl like me  
Like me, like me, like me
